### **Stipendium Hungaricum: The scholarship to study in Hungary**

Hungary is becoming an increasingly popular host country for international students. One of the reasons is the Stipendium Hungaricum, Latin for "Hungarian Scholarship". The scholarship is very generous: It includes tuition fees, medical insurance, a housing allowance and a monthly stipend. Every year, the Stipendium Hungaricum is awarded to around 5,000 students from over 70 partner countries. Whether you are eligible for the subject you want to study depends on the cooperation programmes that are in place. Usually, you need to submit your application with all documents by mid-January to receive the scholarship for your studies commencing the same year.
